Cllr Higgs declared an interest regarding reimbursement payment for grave markers in the sum of £24.99.

Cllr Tunnell-Westmacott received a payment of £150 for the Christmas party catering costs.

5. OTHER MATTERS FOR DISCUSSION.

Shilton Road. John Blackburn sent a report regarding outstanding works. A letter was sent to Lioncourt requiring completion of outstanding works within 21 days and stating that otherwise OCC would take legal proceedings to call in the Bond, which would then lead to the Council seeking an alternative contractor to complete the works.

OCC met Lioncourt on site and despite Lioncourt's failure to complete the works OCC accepted that in their view sufficient progress has been made and that with promises of further remedial works to be sorted asap OCC would not initiate proceedings to call in the Bond.

Lioncourt have given assurances to OCC that the preparatory work on the verges would be completed before Christmas and that once Streetworks gave road space to works on the A40 in the middle of January, the A40 works would be completed by the end of January 2022.

A request will be forwarded to John Exley, Highway Engineer asking that he contact the Bondsman to initiate proceedings for calling in the Bond so that we might finally see closure.

Council agreed to support the above and to push OCC to call in the Bond.

Colliers Charity. Cllr Taubenheim agreed to head up a small committee to discuss the annual presentation of bread to the children at the Primary School. A fresh approach is required for the presentation.

8. HGV REPORT

Cllr White reported that the OCC Place Overview & Scrutiny Committee had met to discuss the calling-in request which we had lodged seeking a review of Cllr Enright's refusal to extend the Burford Weight Limit. He, Dr Ken Gray and Hugo Ashton, led by Cllr Field-Johnson, spoke on behalf of BTC and representatives of WiVTAG, the Road Haulage Association and certain hauliers spoke against the continuation of the BWL.

Cllr Whie explained that our appeal was based on three grounds, first that the OCC Officer's report ignored the ANPR survey data, secondly that the Officers had not taken into account the improvement air quality and thirdly that Cllr Enright was conflicted because he was a Witney Town Councillor and had voted at WTC meetings to support WiVTAG and to seek an overthrow of the BWL. The POSC voted to refer the matter to OCC's full Cabinet but it was not clear what the POSC wanted Cabinet to do.

The ETRO would expire on 4 February so we will have to ask for another TRO. Cllr White enquired if Council would support a new TRO imposing a weight limit of 18 tonnes (as opposed to the 7.5 tonnes limit under the ETRO) if it became necessary in negotiations with OCC. Council agreed that would.

Cllr White was thanked for his hard work on the HGV matters and especially the above report.

9. O.C.C. REPORT CLLR FIELD JOHNSON. Covered under HGV report.

10. WODC REPORT . CLLR COTTERILL.

Since the last Scrutiny meeting in December the Government has completed its annual Local Government Finance Settlement. This extends to New Homes Bonus by one year and turns a potential deficit for WODC of £830k into balance. This is very much a one-year gift.

The target budget for 2022/23 is £12,882. 076 and the New Homes Bonus contribution to that is £2,378.105. The Business rate share is £4,460. 000. Council Tax brings in £5,281.201 and Investment Income is £676.353. The tax increase overall is 4.57%.

11. CORRESPONDENCE.

A resident in Frethern Close has complained about the dual-purpose waste bins. The Mayor explained the new system in last month's Bridge magazine whereby residents are asked to put bagged dog waste in their own household rubbish bins. WODC are responsible for installing and emptying the bins; BTC are aware of several issues so far but will monitor the situation. We encourage residents to make their complaint to WODC direct by contacting Bill.Oddy@publicagroup.uk
